

Remarks

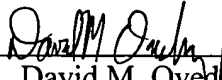

The present Amendment is submitted under the provisions of 37 CFR 1.312. It is requested that the present Amendment be entered since the present Amendment will not require any substantial amount of additional work on the part of the Examiner.

The above amendment to the specification is presented in order to include the cross-referencing required under 37 CFR 1.177(a) to a divisional reissue application that has been filed.

Therefore, it is respectfully requested that the present Amendment be entered as being directed to matters of form not affecting the scope of the invention.

Respectfully submitted,

Mikihiko YAMADA et al.
